### Notice Concerning First-Time Participation in the CDP Rating

Star Asia Investment Corporation (hereinafter "SAR") announces that it participated for the first time in the CDP Rating, hosted by CDP, a non-profit organization that conducts global environmental research and information disclosure, and received a "B" rating for climate change and a "B" rating for water security in the 2025 assessment.

#### 1. Results of the CDP Assessment

SAR participated in the CDP Rating in 2025 and received a "B" rating for climate change and a "B" rating for water security.

#### 2. About CDP

The CDP is an international environmental non-profit organization established in the U.K. in 2000 that administers a global environmental disclosure system for corporations and municipalities. Its annual disclosure of environmental information and its evaluation process are widely recognized as the global standard in corporate environmental disclosure. CDP assessments are awarded on an eight-level scale: Leadership Level (A, A-), Management Level (B, B-), Awareness Level (C, C-), and Disclosure Level (D, D-). Please refer to the link below to see details concerning the CDP Climate Change Program,
